## **Mission Statement:**

This monthly newsletter will inform, entertain, and connect the students of Electrical and Computer Engineering at the University of Florida. This newsletter links students to our university and future workplace by presenting articles on our department, industry, and events hosted by the different campus organizations.

The IEEE News needs your help in making this a better newsletter. Please e-mail your comments, events, and ideas at [IEEE.UF.Newsletter@gmail.com](mailto:IEEE.UF.Newsletter@gmail.com).

## **Welcome Back!**

Dear Electrical and Computer Engineering students, Welcome to new semester!

The IEEE Newsletter hopes that you survived the first week of the Fall 2015 semester.

If you are a new student, welcome to the University of Florida. We hope that you find yourself surrounded by great minds, learn and become the best.

If you are a returning student, we wish you the best of luck. We hope you had a relaxing, amazing summer, and that you are ready to do your best in class. If you had a great internship experience, and you want to brag about it, share it with us and we may publish it.

If you are passionate about writing and would like to be part of the IEEE Newsletter, we would be happy for you to be part of our subdivision in IEEE.

Follow our newsletter and benefit from being informed about our department, our industry, and our university.

Get Excited, Get Informed, Get Involved . . . Go Gators!

- Valentina Rendon, CE Junior

## IEEE News

On September 10th at 5pm (location: TBA - check IEEE website for updates) IEEE has its fall General Body Meeting. We will announce all of this semester's upcoming info sessions, which include nearly 20 companies. Also, we will discuss our plans for new community service projects, and offer students the opportunity to become more involved in the department's largest student-run organization.

Our First Info Session will be:

Microsoft Info Session: September 9, 2014 at 6:30pm  
(Location: NEB 202)

- Trent Fields, IEEE President

## ECE Ambassadors

This semester the ECE Department is beginning a new organization for students to extend their involvement within the department. The ECE Ambassadors program will offer students an opportunity to work closely with the department chair to develop freshman recruitment efforts, improve alumni-student relations, and serve as the face of the department through tours and events. Applications will be available 9/2/14 and will be due by 5pm on 9/17/14. Please check the ECE and IEEE websites for details.
